Bijan/Beyond. Request Support

From: <https://www.beyondbondboston.org/getsupport>

BIJAN Boston works to support immigrants through accompaniment. While we cannot guarantee support of any kind, typical areas we may be able to offer support include:

- Accompaniment in court or at ICE check-ins
- Legal referrals
- Contributions for bond or legal fees
- Letters of support from the community
- Rides for families to visit loved ones in detention
- Logistical assistance with paperwork or bond payments.
- Immediate needs of such as short-term housing and transportation for people released on bond who have no other resources in the community.

If you or a loved one is in need of general assistance and/or have any questions for the Boston Immigration Justice Accompaniment Network (BIJAN), call our family hotline at 617-396-7143.

If you need support specifically in paying a bond, please see here for more info.
